Transect Codes Council

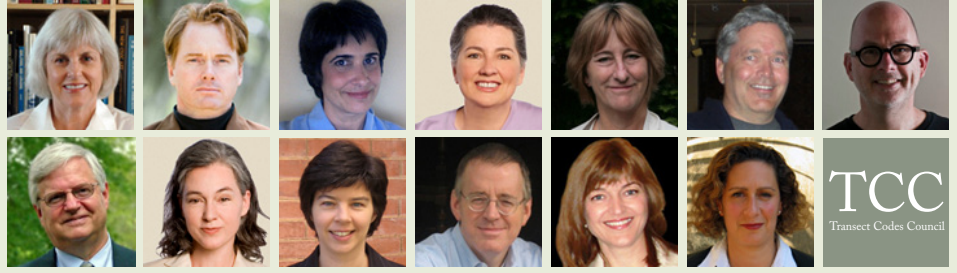

The Transect Codes Council presents

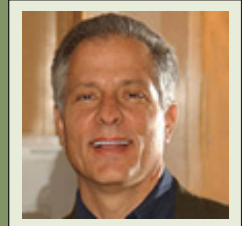

Smarter Codes, Smarter Growth:

How to Achieve your Smart Growth Goals
through Zoning Code Reform

February 2, 2011 - Westin Charlotte Hotel - Charlotte, NC

Fourteen of the nation's leading Smart Growth practitioners, led by renowned urbanist Andres Duany, provide an information-packed, day-long workshop at the Westin Charlotte Hotel. This workshop will provide everything you ever wanted to know about Smart Growth Codes, the most effective tools cities have for creating healthy, walkable communities. For the very low price of \$89, you will receive a boxed lunch, AICP credits, and the fun of being in a room full of folks who are like you, searching for the most timely and cost-effective ways to get from sprawl-inducing conventional zoning to comprehensive coding for character, community and public health.
