REVITALIZATION AND LAND-USE PLANNING AT THE SAN DIEGO TIJUANA BORDER

"Smart Growth Catalysts and the Battle for Planning in the San Diego/Tijuana Region"

Carlos Graizbord

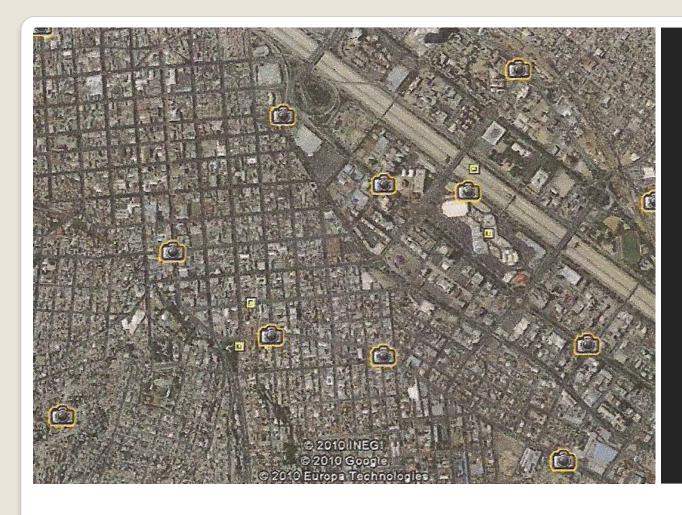

PROPOSAL:

- Create a bi-national NGO
- At the Land-Use Planning level create a GIS for active planning. Develop scenarios
- Implement revitalization projects and support their implementation

INTRODUCTION

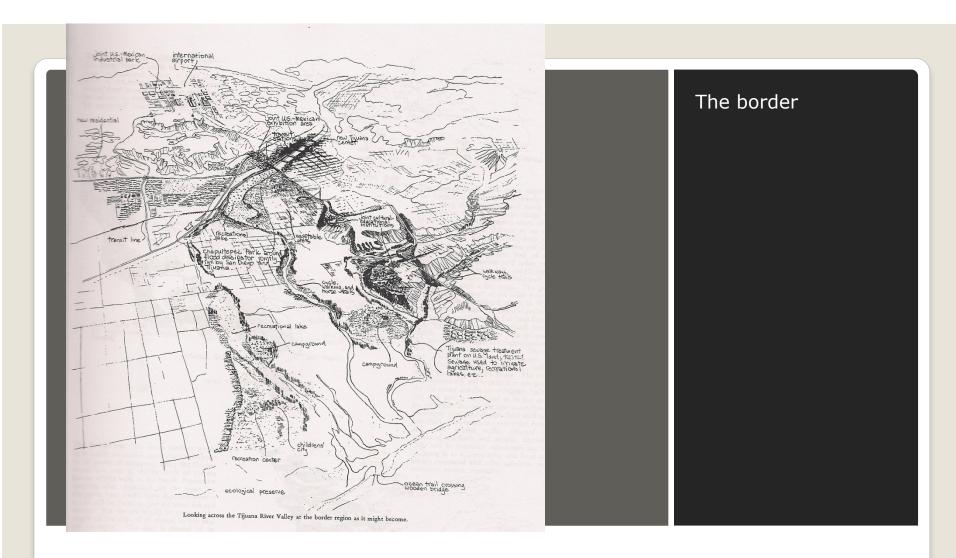

- Squatter revitalization projects
- Housing
- Streets and pedestrian streets
- Parks
- Urban services and infrastructure
- Ecological rehabilitation
- Commercial revitalization and micro-credits
- Defensible space
- Urban fixtures
