

Introduction to Reuse and SRI

Presented by Melissa Friedland

What is SRI?

SRI: Superfund Redevelopment Initiative

“Working with communities and other partners in considering future use opportunities and integrating appropriate reuse options into the clean up process.”

Introduction to Reuse

- Community Benefits
 - Economic
 - Environmental
 - Social
- Cleanup and Enforcement Benefits
 - Protection of human health and the environment
 - Long-term stewardship
 - Encourages expedited cleanups
 - Saves resources
 - Helps to achieve program goals

Before & After

Why is promoting reuse in
disadvantaged communities an
EPA Priority?
